

Certification of Translation Accuracy

Translation of **Certification** from **Italian** to **English**

As an authorized representative of RushTranslate, a professional translation services agency, I hereby certify that the above-mentioned document has been translated by an experienced, qualified and competent professional translator, fluent in the above-mentioned language pair and that, in my best judgment, the translated text truly reflects the content, meaning, and style of the original text and constitutes in every respect a complete and accurate translation of the original document. This document has not been translated for a family member, friend, or business associate.

This is to certify the correctness of the translation only. I do not make any claims or guarantees about the authenticity or content of the original document. Further, RushTranslate assumes no liability for the way in which the translation is used by the customer or any third party, including end-users of the translation.

A copy of the translation is attached to this certification.

OEKO-TEX®
CONFIDENCE IN TEXTILES
STANDARD 100

Based on STANDARD 100 by OEKO-TEX® and
our test report no. **20RA07185**, is authorized to use
the brand STANDARD 100 by OEKO-TEX®

17CX00031 CENTROCOT

Tested for toxic substances
www.oeko-tex.com/standard100

for the following products

Nonwoven spunbond polypropylene fabrics: Black and white polibond. Raw materials certified by STANDARD 100 by OEKO-TEX®.

The tests performed in compliance with STANDARD 100 by OEKO-TEX®, Appendix 6, Class I - products for infants, show that the above products comply with the human-ecological requirements currently in force and established by STANDARD 100 by OEKO-TEX®, Appendix 6.

The certified products comply with the requirements of Annex 17 of REACH (including the use of azo dyes, nickel release, etc.), namely the American regulation on lead content in children products (CPSIA; excluding glass accessories), and the Chinese standard GB 18401:2010 (labeling requirements not verified).

The holder of this certificate, having signed the Declaration of Conformity in accordance with ISO 17050-1, must use the brand STANDARD 100 by OEKO-TEX® only for the products compliant with the samples initially analyzed.

Compliance is audited.

The 17CX00031 certification is valid until 27.06.2021

Bust Arsizio, 26.06.2020
